C	A	B	C	D	A	C	B	C	A	C	B	A	C	B	A	D	D	A	C

Explanation:

1. Hints to Remember

Who: HCL Tech

What: signs MoU with IIT-K for cybersecurity

When: published on 15th February 2021

HCL Technologies (HCL) on Monday said it has entered into a Memorandum of Understanding (MoU) with Indian Institute of Technology Kanpur (IITK) to collaborate in the area of cybersecurity.

As part of the MoU, HCL will work with C3iHub, a specialised cybersecurity research centre at IITK, the company said in a statement.

This collaboration will bring together the country's brightest minds, advanced research capabilities and global resources to develop cutting-edge solutions in the area of cybersecurity. HCL and IITK will bring in real-world industry exposure to carry out joint initiatives and research, it said.

The teams will develop a security framework and solutions for cybersecurity challenges in current and future operational technologies as one of the first areas of interest. They will also work together to discover and manage cyber threats, vulnerabilities, and critical infrastructure risks. ([Read more](#))

2. Hints to Remember

Who: Tata Comm

What: ties up with Google Cloud to transform Indian businesses

When: published on 17th February 2021

Tata Communications on Tuesday announced a partnership with Google Cloud to drive cloud adoption and transform Indian businesses.

The partnership will enable organisations to deploy and access Google Cloud services through Tata Communications' IZO managed cloud.

As a Google Cloud India Partner, Tata Communications will support organisations with services across infrastructure modernisation, data centre transformation, application modernisation, smart analytics, multi-cloud deployments, and more.

"The true test of 2021 will be how organisations adopt a cloud-first approach. Through our partnership with Tata Communications, we will be able to provide our customers with a unified, end-to-end experience that will remove the complexity in cloud management and help them transform at speed and scale," Google Cloud India head of partners and alliances Amitabh Jacob said. 3. Hints to Remember

Who: Government

What: launches pilot survey on drinking water in 10 cities

When: published on 17th February 2021

The Union Housing and Urban Affairs Ministry on Tuesday launched a pilot survey to collect data on drinking water in 10 cities under the Jal Jeevan Mission (Urban).

As part of the survey, 'Pey Jal Survekshan', data will also be collected on wastewater management and condition of water bodies in the cities.

"As the first step, the ministry has decided to launch the survey in 10 cities, including Agra, Badlapur, Bhubaneswar, Churu, Kochi, Madurai, Patiala, Rohtak, Surat and Tumkur. Based on the learnings of the pilot, this survekshan (survey) will be extended to all the AMRUT cities," said Urban affairs secretary Durga Shankar Mishra.

Data on drinking water, wastewater management, non-revenue water and condition of three water bodies in the city will be collected through face-to-face interviews with residents and municipal officials as per the approved questionnaire, on-call interviews, water sample collection and laboratory testing, and field survey for non-revenue water. 4. Hints to Remember

Who: 3 crore 53 lakh rural household

What: provided tap water connections under Jal Jeevan Mission

When: published on 17th February 2021

The Jal Jeevan Mission has reached a new milestone by providing three crore 53 lakh rural household tap water connections. The mission was announced by Prime Minister Narendra Modi in 2019 with the aim to provide tap water connection to every rural household by 2024. Jal Shakti Ministry said, as on 15th August 2019, out of 18.93 crore rural households, only 17 per cent had tap water connections. The Ministry said, the untiring efforts of States and Union Territories have helped Jal Jeevan Mission to reach this milestone.

Every family living in 52 districts and 77 thousand villages are getting assured tap water supply in their homes. The Ministry said, more than 35 per cent of rural households are getting potable water

through taps. Goa has become the first state in the country to provide 100 per cent tap water connection followed by Telangana.[\(Read more\)](#)

5. Hints to Remember

Who: Govt

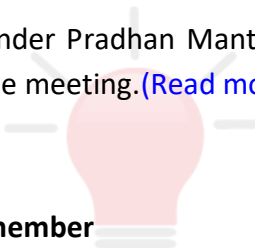

What: approves proposals worth over Rs 363 cr to increase level of processing & value addition of horticultural & agricultural produce

When: published on 17th February 2021

Food Processing Industries Ministry has approved proposals worth over 363 crore rupees to increase the level of processing and value addition of horticultural and agricultural produce. This will result in increase in income of the farmers and create employment at the local level.

The approval was given in the two Inter-Ministerial Approval Committee meetings, which were chaired by Minister of Food Processing industries Narendra Singh Tomar yesterday. The proposals were received under the Scheme for Creation for Infrastructure for Agro-Processing Cluster and the scheme for Creation and Expansion of Food Processing and Preservation

Capacities under Pradhan Mantri Kisan Sampada Yojana. Minister of State Rameshwar Teli was also present in the meeting.[\(Read more\)](#)

6. Hints to Remember

Who: India

What: to spend Rs 7.5 trillion on oil and gas infra in next 5 yrs: PM Modi

When: published on 17th February 2021

The Government of India is planning to spend around Rs 7.5 trillion to build oil and gas infrastructure over the next five years, said Prime Minister Narendra Modi.

After dedicating the Ramanathapuram–Thoothukudi natural gas pipeline and Gasoline desulfurisation unit at Chennai Petroleum Corporation Ltd and laying the foundation stone for the Rs 31,500 crore Cauvery basin Refinery at Nagapattinam, the Prime Minister said that in 2019-20, India imported over 85 per cent of oil and 53 per cent of gas to meet its domestic demands. "Can a diverse and talented nation like ours be so energy-dependent," he asked.[\(Read more\)](#)

7. Hints to Remember

Who: E-Kuber Payments System of RBI

What: Launched in Jammu and Kashmir

When: published on 18th February 2021

Jammu and Kashmir on Thursday formally rolled out e-Kuber payments system of Reserve Bank of India (RBI) here, an official spokesman said.

Financial Commissioner (Finance) Arun Kumar Mehta launched the new system in presence of General Manager, RBI Jammu, Sandeep Mittal and Director General Accounts and Treasuries, Finance Department, Mahesh Dass, the spokesman said.

He said the new payments system of RBI would replace the existing system for the purpose of government payments.

“All types of government payments including employee's salaries and pensioner's pensions will be done through RBI's e-Kuber,” the spokesman said. ([Read more](#))

8. Hints to Remember

Who: Jammu Municipal Corporation

What: signs MoUs with IPCA, UNDP to make Jammu plastic-free

When: published on 20th February 2021

The Jammu Municipal Corporation (JMC) on Saturday signed two Memorandums of Understanding (MoUs) with the United Nations Development Programme (UNDP), and Indian Pollution Control Association (IPCA) to make Jammu plastic-free.

"The JMC has signed MoUs with two recyclers. One is the Indian Pollution Control Association (IPCA) and the other is the United Nations Development Programme (UNDP). Both have the fundamental basis of door-to-door garbage collection," said Avny Lavasa, Municipal Commissioner, JMC.

"We along with the IPCA collect garbage from the old city markets. Due to our segregation awareness, 60-70 per cent of garbage comes properly segregated. We take them to segregation centres. And then, recyclable waste, mainly plastic, are sent to factories for reuse," Lavasa added. ([Read more](#))

9. Hints to Remember

Who: World Thinking Day 2021

What: was observed on February 22

22nd February of every year is observed as World Thinking Day by the girl scouts and girl guides in 150 countries across the globe. The day offers an opportunity for the girl scouting and girl guiding communities to think about others and focus on a wider issue that impacts the others within the guiding and scouting movements.

The day aims to bring together the young people across the world to celebrate international fun and friendship and raise funds and focus on the global theme of the year.

The theme of the World Thinking Day 2021 is “Peacebuilding”.

10. Hints to Remember

Who: Book

What: introduces children to rare discoveries of Indian scientists

When: published on 21st February 2021

'A biologist who smashed cancer cells', 'a space scientist who sent a rocket to Mars', or 'an ecologist who stumbled on a rare species of frog', an upcoming book will educate children about the daring discoveries and ingenious inventions of India's brightest scientists.

"They Found What/They Made What", published by Hachette, is written by fantasy and science-fiction author Shweta Taneja. The children's book, done in a unique two-in-one format, will hit the stands on National Science Day -- February 28.

"When I went looking for masterminds of science in India, I found so many that I was overwhelmed... We decided upon the inventions and discoveries that twisted our toes and made us agog with wonder.[\(Read more\)](#)

Who: Noted educationist Dr Darlie Koshy's new book

What: unveiled at the India Craft Week

When: published on 21st February 2021

Noted educationist and leader of skilling India, Dr Darlie O Koshy's new book titled 'Runway to Skilled India' was unveiled at the India Craft Week being held at Bikaner House, New Delhi.

The book was unveiled by Dr Vinay Sahasrabuddhe, President Indian Council for Cultural Relations in the presence of Alphons Kannanthanam MP, Former Union Minister of State for Culture and Tourism. It is a sequel to his much-acclaimed earlier work "Indian Design Edge".

The book has incorporated for the first time an interactive model with a QR Code for the reader to listen to the entire proceedings of Virtual Round Table which had leading luminaries like Ajit Seth, Former Cabinet Secretary, Golang Mohandas Pai, Chairman, Manipal Global Education, Dr Subroto Bagchi, Chairman, Odisha Skill Development Authority (OSDA), among others who have dealt with multi-faceted dimensions of the book thus bringing a rich mosaic of ideas and possibilities to realize the dream of 'Skilled India.'[\(Read more\)](#)

12. Hints to Remember

Who: Book

What: infuses cricket with management lessons

When: published on 20th February 2021

A new book brings together stories of leadership in business and cricket and weaves these with the daily happenings in the lives of two brothers shaping an organisation.

Corporate leader Srikanth Ram says he amalgamates his two passions - business and cricket - in his book 'Leadership Lessons from 22 Yards' on how to build high performance teams and a winning culture.

He provides tips for refining mindset and skills to become an exceptional leader, to build a high-performance team, and to weave a winning work culture. He combines anecdotes from his professional life and merges them in this fictional story.

The book, published by Becomesakespeare.com, follows the journey of two brothers Sanju and Sandeep who aspire to become entrepreneurs. ([Read more](#))

13. Hints to Remember

Who: Book 'Agriculture Acts 2020' written by former Madras HC judge A.K. Rajan

What: Released

When: published on 22nd February 2021

Dravidar Kazhagam president K. Veeramani on Saturday released a book, Agriculture Acts 2020, written by Justice A.K. Rajan, former judge of the Madras High Court.

The book is about the three controversial Central farm laws, which triggered massive protests by farmers in New Delhi.

Justice Rajan said the book was a concise work on the farm laws and batted for federalism. "The first thing you have to note is that India is a federal country. Not just now, but even 350 years before Christ, the Mauryan Empire controlled India, but not as a single nation. They had provinces and vassals. The Gupta Empire also ruled over provinces. In modern times, the Europeans divided India into Madras, Calcutta and Bombay provinces," he said.

Speaking about the book, Vijoo Krishnan, joint secretary, All India Kisan Sabha, said, "Justice Rajan's book has shown how the laws hit at the federal structure of our country. The BJP, which professes the Hindutva ideology and has done away with our diverse culture, is now talking about 'one nation, one market'." ([Read more](#))

14. Hints to Remember

Who: Centre

What: Reconstitutes NITI Aayog Governing Council With PM Modi As Head

When: published on 20th February 2021

The Centre has reconstituted the governing council of the NITI Aayog with Prime Minister Narendra Modi as its chairperson.
