**Correct Answers:**

<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>	<b>6</b>	<b>7</b>	<b>8</b>	<b>9</b>	<b>10</b>
B	D	C	D	A	C	B	B	A	D

**Explanations:**

**1.**

In part B, the relative pronoun 'who' must be replaced with 'which' as 'law' is not a living being.

The correction formation will be- 'The government has introduced a new law which forces farmers to sell their produce only to licensed dealers.'

Hence, option B is correct.

**2.**

In part D, the word 'challenge' must be in plural form as the adjective 'various' before it, refers to 'of different kinds'.

Hence, option D is correct.

**3.**

In part C, 'sells' must be replaced with 'selling' to make it a grammatically correct sentence.

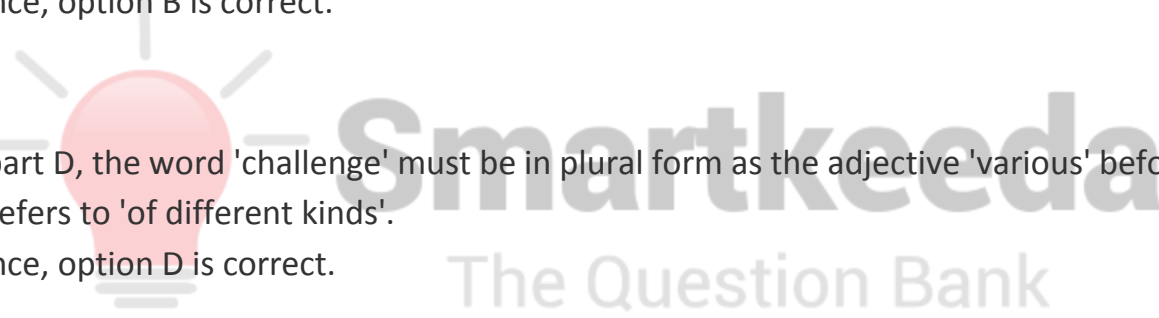

Hence, option C is correct.

**4.**

Under the context, bank is a singular non-living entity for which the pronoun 'its' must be used in possessive case instead of 'their' in part D.

So the correct formation will be- 'The only option for the bank is to modernize its operations at all its branches.'

Hence, option D is correct.

**5.**

In part A, there are two negatives- 'lack' and 'no funds' which cannot go together. The correct formation will be - 'The lack of funds has resulted in several delays in launching our new product in India.

Hence, option A is correct.

**6.**

In part C, the phrase 'at less' must be replaced with the idiom 'at least', which means 'not less than', to make it a grammatically correct sentence.

Hence, option C is correct.

**7.**

In part B, the noun 'detail' must be replaced with the adjective 'detailed' to make it a grammatically correct sentence.

Hence, option B is correct.

**8.**

In part B, 'underwent' must be replaced with 'undergone' (past participle of undergo) as the sentence is in Present Perfect Tense which is formed with a present tense form of 'to have' plus the past participle of the verb.

Hence, option B is correct.

**9.**

To make the sentence a grammatically correct one, in part A, the preposition 'among' must be replaced with 'between', which is used while talking about a choice that involves two people, groups, or things.

Hence, option A is correct.

**10.**

In part D, 'to success' must be replaced with 'to succeed' as part D has to be in the infinitive form (to + verb) in the context of the sentence.

Hence, option D is correct.
