Chairman KVIC Shri Vinai Kumar Saxena launched the country's first Mobile Honey Processing Van at Village Sirora in Ghaziabad, UP today. Local MLA Shri Nand Kishore Gujjar and KVIC Member (Central Zone), Shri Jai Prakash Gupta were present on the occasion. The Mobile Van has been designed in-house by KVIC at its Multi-disciplinary Training Centre, Panjokehra, at a cost of Rs 15 lakh. This mobile

honey processing unit can process up to 300 KG of honey in 8 hours. The van is also equipped with a testing laboratory, that would instantly examine the quality of honey.

The Mobile Honey Processing Van comes as a major development under KVIC's Honey Mission which aims at training beekeepers, distributing Bee Boxes to farmers and helping rural, educated as well as unemployed youth to earn extra income through beekeeping activities. In line with Prime Minister's dream of "Sweet Kranti" (Sweet Revolution) through honey production, the KVIC has come up with this unique innovation to enable beekeepers and farmers to get fair price of their honey produce. KVIC has designed the innovative Mobile Honey Processing Van that will process beekeepers' honey at their doorsteps and thus save them the hassle and the cost of taking the honey to processing plants in far off cities for processing. While this will make beekeeping a more profitable business for small beekeepers; this will also maintain purity and highest quality standards of honey.
