Correct answers:

1	2	3	4	5	6	7	8	9	10
C	B	D	D	A	C	D	D	B	D

Explanations:

1. Checking A-F:

Entrepreneurs are relieved that start-ups registered with the DPIIT can avail of angel tax exemption.

The above sentence is correct both grammatically and contextually.

Checking B-D:

Malls are great places to shop because one can find everything one need under a single roof.

The above sentence is grammatically incorrect. Singular subject 'one' should be followed by 'needs' instead of 'need' in order to make the sentence correct.

Checking C-E:

The fire-fighters doused the flames that had engulfed the building

The above sentence is correct both grammatically and contextually.

Option C is hence the correct answer.

2. Checking B-D:

Those with more wealth in a society always had greater power to influence the rules of the game.

The above sentence is correct both grammatically and contextually.

Checking A-E:

Simply offering price support does not tackle the problem of cropping patterns out of sync with agro-climatic conditions.

The above sentence is correct both grammatically and contextually.

Checking C-F:

Most of the students go to prison to pay for their crimes.

The above sentence does not make any sense and is contextually incorrect. Hence, the pair C-F is invalid.

Option B is hence the correct answer.

3. Checking A-F:

The scheme provides substantial relief in tax dues for all categories of cases as well as full waiver of interest, fine or penalty.

The above sentence is correct both grammatically and contextually.

Checking B-D:

A strict upbringing is necessary for the floors to remain clean.

The sentence doesn't make any sense contextually. The pair B-d is hence invalid.

Checking C-E:

Rules require WhatsApp to submit a third-party auditor report that all data involved in payments will be only stored on servers in India.

The above sentence is correct both grammatically and contextually.

Option D is hence the correct answer.

4. Checking A-E:

Some of the measures promote the ease of doing business and even the ease of living for ordinary citizens.

The above sentence is correct both grammatically and contextually.

Checking C-D:

It was impertinent of him to speak to his grandfather so rudely.

The above sentence is correct both grammatically and contextually as well.

Checking B-F:

The accuracy of translations will also depend on users' pronunciation and the efficiency of the machine learning algorithms.

The above sentence too is correct both grammatically and contextually.

Option D is hence the correct answer.

5. Checking A-F:

The objective of the mission Chandrayaan-2 is to develop and demonstrate the key technologies for end-to-end lunar mission capability.

The above sentence is correct both grammatically and contextually.

Checking B-D:

Android 10 also comes with a refreshed logo with the Android robot sitting in top.

The above sentence is grammatically incorrect. In fragment D instead of the preposition 'in' the preposition 'on' should have been used before 'top'. Hence, the pair B-D is invalid.

Checking C-E:

The roses in the garden lack the necessary properties of conductivity and malleability.

The above sentence is contextually incorrect because of the properties of 'conductivity' and 'malleability' are used when referring to metals.

Option A is hence the correct answer.

6. Checking C-D:

The story says that the buyers' bloc might push OPEC to reduce the premiums placed on oil sold to Asian countries.

The above sentence too is correct both grammatically and contextually.

Checking A-E:

The museum has virtual reality booths to give insight to visitors about the 19th century when the bunker was created.

The above sentence is correct both grammatically and contextually.

Checking B-F:

The girl is doing homework that was given by mother as family heirloom.

The sentence doesn't make any sense. The pair B-F is hence invalid.

Option C is hence the correct answer.

7. Checking A-F:

The Kingdom of Bahrain is an island country in the Persian Gulf.

The above sentence too is correct both grammatically and contextually. Hence, the pair A-F is valid.

Checking B-D:

To sit and stand up straight requires a conscious decision to place your pelvis, abdomen, chest, shoulders, back, neck, and head in a specific set of positions optimized for your body.

The above sentence is correct both grammatically and contextually.

Checking C-E:

The dog is lying on the grass and reading his morning newspaper.

The sentence doesn't make any sense. The pair C-E is hence invalid.

Option D is hence the correct answer.

8. Checking C-D:

He does nothing but read comics during the day strange noises were heard.

The sentence doesn't make any sense contextually. The pair C-D is hence invalid.

Checking A-E:

Biometric devices would be installed in schools to ensuring regular attendance of teachers.

The above sentence is incorrect grammatically as. In this sentence, 'to' should be followed by 'ensure' instead of 'ensuring' in order to make the sentence correct.

Checking B-F:

The Companies Act has laid down safeguards to ensure that the interests of all parties do not get entangled.

The above sentence is correct both grammatically and contextually.

Option D is hence the correct answer.

9. Checking C-D:

Other producers have been engaged to make sure Iran's blacklisting doesn't leave a gaping hole in India's oil basket.

The above sentence is correct both grammatically and contextually.

Checking A-F:

In the first phase of the scheme, one school from each of the 60 Assembly constituencies in the state have been selected.

The above sentence is correct both grammatically and contextually as well.

Checking B-E:

The creature looked so weird that one could mistake it for an extra-terrestrial being.

The above sentence too is correct both grammatically and contextually.

Option B is hence the correct answer.

10. Checking C-E:

His wife has been complaining to which meditation is the key.

The sentence doesn't make any sense contextually. The pair C-E is hence invalid.

Checking B-D:

The US President has a habit of making off- the-cuff remarks on serious policy issues.

The above sentence too is correct both grammatically and contextually.

Checking A-F:

India has become the first country to have a National Essential Diagnostics List.

The above sentence too is correct both grammatically and contextually.

Option D is hence the correct answer.
