Correct answers:

1	2	3	4	5	6	7	8	9	10
C	D	C	B	A	C	D	D	B	C

Explanations:

1. Checking C-E:

The mother is about to take her son the waves crashing onto the shore.

The sentence doesn't make any sense contextually. The pair C-E is hence invalid.

Checking A-F:

Through this initiative, teachers at elementary level will be able to acquire scientific temperament and knowledge of other important educational aspects and transfer it to students.

The above sentence is correct both grammatically and contextually.

Checking B-D:

In favour of steering users more towards its Maps, Google has shut down its travel planning app, Trips.

The above sentence too is correct both grammatically and contextually.

Option C is hence the correct answer.

2. Checking C-E:

Lily is ambidextrous in so much time it will wilt.

The sentence doesn't make any sense contextually. The pair C-E is hence invalid.

Checking B-D:

Unlike most app stores, this one is meant for sellers on the company's e-commerce platform.

The above sentence is correct both grammatically and contextually.

Checking A-F:

It is the bud which lends tea liquor a bright-yellowish colour, unlike usual leaf-based tea from Assam which gives brew a black colour.

The above sentence too is correct both grammatically and contextually. Hence, the pair A-F is valid.

Option D is hence the correct answer.

3. Checking B-F:

The elephant has been sedated mildly burnt taste.

The sentence doesn't make any sense contextually. The pair B-F is hence invalid.

Checking A-E:

External Commercial Borrowing is an instrument used in India to facilitate Indian companies to raise money outside the country in foreign currency.

The above sentence is correct both grammatically and contextually.

Checking C-D:

All these processes can take a year or more to finish.

The above sentence is also correct both grammatically and contextually.

Option C is hence the correct answer.

4. Checking A-F:

A tendon is made up of collagen fibres with specialized cells.

The above sentence is correct both grammatically and contextually.

Checking B-D:

Much of the debate in recent months has been focused on the sharp loss of economic momentum in India.

The above sentence is correct both grammatically and contextually as well.

Checking C-E:

I thought after what you went through, you would want to quit.

The above sentence too is correct both grammatically and contextually.

Option B is hence the correct answer.

5. Checking A-E:

When done in an orderly fashion, the tissue is restored to normal and no scarring occurs.

The above sentence is correct both grammatically and contextually.

Checking B-F:

I feel a pain in the back pack needed replacement.

The sentence doesn't make any sense contextually. The pair B-F is hence invalid.

Checking C-D:

Those of us who can hear well may not realize that video caption is a blessing from people with hearing issues.

The above sentence is contextually incorrect because of the usage of the preposition 'from' before people. Instead, 'for' should have been used.

Option A is hence the correct answer.

6. Checking C-E:

The road is under repair no smoking sign on the road.

The sentence doesn't make any sense contextually. The pair C-E is hence invalid.

Checking A-F:

It is freedom of joint motion that determines much of the mechanical efficiency of the human body.

The above sentence is correct both grammatically and contextually.

Checking B-D:

When you're always fighting fires, it's difficult to turn off the water hose and start tending the garden.

The above sentence too is correct both grammatically and contextually.

Option C is hence the correct answer.

7. Checking C-D:

That is where the treasure is assumed his position.

The sentence doesn't make any sense contextually. The pair C-D is hence invalid.

Checking B-F:

Handset makers hope foldable phones will help revive smartphone sales.

The above sentence is correct both grammatically and contextually.

Checking A-E:

Preferential treatment to EVs has made it a double whammy for conventional car makers.

The above sentence too is correct both grammatically and contextually. Hence, the pair A-E is valid.

Option D is hence the correct answer.

8. Checking C-E:

He went out on a limb for they finally met.

The sentence doesn't make any sense contextually. The pair C-E is hence invalid.

Checking B-D:

The company has also decided to update its logo and brand colour.

The above sentence is correct both grammatically and contextually.

Checking A-F:

Sluggish global demand and the US-China trade war are adding fuel to an already raging fire.

The above sentence is also correct both grammatically and contextually.

Option D is hence the correct answer.

9. Checking A-E:

Investors in the company have had to fasten their seatbelts captions that will transcribe speech into text in real time.

The above sentence is correct both grammatically and contextually.

Checking B-F:

Tech companies are now making inroads in live opportunities that I never had.

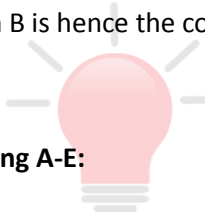

The above sentence is correct both grammatically and contextually as well.

Checking C-D:

I want you to have opportunities that I never had.

The above sentence too is correct both grammatically and contextually.

Option B is hence the correct answer.

10. Checking A-E:

The corporate governance playbook of most companies mandates that RPTs ought to be avoided, unless where absolutely necessary.

The above sentence is correct both grammatically and contextually.

Checking B-F:

The child wants to go to sleeping hours are specified.

The sentence doesn't make any sense contextually. The pair B-F is hence invalid.

Checking C-D:

New technologies have spurred a revolution in mobile payments.

The above sentence is also correct both grammatically and contextually.

Option C is hence the correct answer.
