# Alpha Numeric Symbol Series Questions for SBI Clerk Pre, IBPS Clerk Pre, RBI Assistant, LIC Assistant and IBPS RRB Exams.

## Alpha Numeric Symbol Series Set 34

**Directions:** The questions are based on five words given below:

FOX JUG BAT MIX SIT

1. If the second alphabet in each of the words is changed to the previous alphabet in the English alphabetical order, in how many words thus formed will an alphabet appear twice?  
A. One                      B. Two                      C. Four                      D. Three                      E. None
2. If the 1<sup>st</sup> and 3<sup>rd</sup> letter of all the words are interchanged, then which of the following form meaningful English words?  
A. Only BAT                      B. Only SIT                      C. Only JUG                      D. Both FOX and MIX  
E. None of the given options will form a meaningful English word
3. If the given words are arranged in the order as they would appear in the English dictionary order from left to right, the position of which of the following will not change when compared to the given positions?  
A. Only MIX                      B. Only SIT                      C. Both JUG and BAT                      D. Both MIX and SIT                      E. None
4. If in each of the given words, each of the consonants is changed to the next letter in the English alphabet series, how many words thus formed will have more than one vowel?  
A. One                      B. Two                      C. Three                      D. More than three                      E. None
5. If the first and the second letters in each of the word is respectively changed to next letter in English alphabetic order, how many words thus formed will have a vowel?  
A. One                      B. Two                      C. Three                      D. More than three                      E. None

**Correct Answers:**

1	2	3	4	5
E	A	D	B	E

## Explanations :

1. **Original words :** FOX JUG BAT MIX SIT

After changing second alphabet in each of the words is changed to the previous alphabet in the English alphabetical order:

**New words :** FNX JTG BZT MHX SHT

Thus, there is none word.

2. **Original words :** FOX JUG BAT MIX SIT

After interchanging the 1st and 3rd letter of all the words:

**New words :** XOF GUJ TAB XIM TIS

Thus, there is only one meaningful word: **TAB**

Hence, option A is correct.

3. **Original words :** FOX JUG BAT MIX SIT

After arranging the given words in the order as they would appear in the English dictionary order from left to right:

**New words :** BAT FOX JUG MIX SIT

Thus, there are two words **MIX** and **SIT**.

Hence, option D is correct.

4. **Original words :** FOX JUG BAT MIX SIT

After changing each of the consonants of each given word to the next letter in the English alphabet series:

**New words :** GOY KUH **CAU** NIY **TIU**

Thus, there are two words which have more than one vowel.

Hence, option B is correct.

**5. Original words :** FOX JUG BAT MIX SIT

After changing the first and second alphabet each of the word to next alphabet in English alphabetical order:

**New words :** GPX KVG CBT NJX TJT

There is no word which has a vowel.

Hence, option E is correct.
