**Correct answers:**

1	2	3	4	5	6	7	8	9	10
B	D	D	D	D	C	C	C	B	A

**Explanations:**

**1. Hints to Remember**

**Who:** Madhubani-The Station of Colours, a short film of Indian Railways

**What:** wins national award

**When:** published on 16th August 2019

A short-film –'Madhubani-The Station of Colours', which narrates the beautification of a remote railway station belonging to the East Central Railway (ECR) has bagged the 'Rajat-Kamal' award at the 66th National Film Awards for 2018.

The Madhubani railway station located in a remote part of Madhubani district of Bihar was earlier ranked as the country's second most dirty railway station. However, with the help of artists who have decorated the station with indigenous Madhubani paintings, it has now become one of the cleanliest and most beautiful railway stations in the country.

A short film which narrates the process of transformation of the railway station has bagged the award of 'the Best Narration over Voice (BNOV) eloquence quality through short-film' under the non-feature category.

**2. Hints to Remember Who: Indian Army**

**What:** Emerged As The Winner In 5th 'International Army Scout Masters Competition'2019

**When:** published on 19th August 2019

Raksha Mantri Shri Rajnath Singh today honoured the winners of 5th International Army Scout Masters Competition 2019 held at Jaisalmer Military Station from August 6 – August 14, 2019 in Rajasthan.The Indian Army team, participating for the first time,

comprehensively won competition. A total of eight teams from Armenia, Belarus, China, Kazakhstan, India, Russia, Sudan and Uzbekistan participated in the event. Giving away medals and trophies to the winners, Raksha Mantri congratulated them for their outstanding performances and wished a bright future for all the eight participating teams. Shri Rajnath Singh said in the last 10 days, all the contestants showed exceptional skills, went through stiff competition, mental and physical challenges, demonstrated remarkable determination and grit, as well as great teamwork. He hoped that the friendship developed during the competition will help in building better relations between the participating countries. Raksha Mantri said India shared friendly and cordial relations with the countries participating in this competition. We have had deep and strategic relations with Russia for a long time. Every year we organize a bilateral Exercise INDRA with Russia, he added.

Rajnath Singh said China annually participates in bilateral Exercise “Hand in Hand”, which helps us in developing a better understanding of each other. He said India has had historical relationships with all countries of Central Asia, such as Armenia, Belarus, Kazakhstan and Uzbekistan, which include commercial and cultural ties. With regard to Sudan, Shri Rajnath Singh said India has made invaluable contribution under the United Nations Peacekeeping Force for more than a decade. Raksha Mantri said India looks forward to improving the relations with all the countries around the world. Ambassador of Uzbekistan Mr Farhod Arziev, Chief of Army Staff General Bipin Rawat, General Officer Commanding-in-Chief, Southern Command, Lt Gen SK Saini and heads of delegation, participants and guests from friendly countries were present on the occasion. The Indian Army team trained hard for the last 10 months in extreme weather and desert conditions of Thar Desert. The team was selected and trained under the aegis of Southern Command. World class infrastructure was created at Jaisalmer Military Station to conduct this prestigious event. These included a challenging obstacle course for the Infantry Combat Vehicles spread over a distance of 6.7 kilometers with 15 obstacles and another tough obstacle course for the Scout Masters teams with 22 obstacles laid over a distance of 1.3 Kilometers. The smooth and efficient conduct of the event drew appreciation from all the participating teams and international panel of Judges including the co-host, Russia.

## 6. Hints to Remember

**Who:** World Photography Day

**What:** was observed on 19th August 2019

August 19 is observed as World Photography Day, which aims to inspire photographers across the planet to share a single photo with a simple purpose: to share their world with the world. Here is a look at photography over the years.

World Photo Day originates from the invention of the Daguerreotype, a photographic process developed by Frenchmen Louis Daguerre and Joseph Nicephore Niepce in 1837.

On January 9, 1839, the French Academy of Sciences announced the Daguerreotype process. On August 19, the French government purchased the patent and announced the invention as a gift "free to the world".

## 7. Hints to Remember

**Who:** China

**What:** successfully conducts first launch of Smart Dragon-1 small satellite launch vehicle

**When:** published on 17th August 2019

For the fourth time in less than 10 months – and the second one to claim a successful flight – China has debuted a new small satellite launch vehicle based on solid rocket motors with a payload of less than one tonne to Low Earth Orbit. The Smart Dragon-1 (SD-1) rocket, also known by its Chinese name Jielong-1, lifted off from the mobile launch pad at the Jiuquan Satellite Launch Center in northwestern China today at 04:11 UTC. Chinese media has later declared the launch a success.

The Smart Dragon-1 (Jielong-1) is a small solid-fueled quick-reaction launch vehicle developed by the China Academy of Launch Vehicle Technology (CALT), complementing with the larger Long March 11 that has flown seven successful flights since September 2015.
