Correct answers:

1	2	3	4	5	6	7	8	9	10
C	C	B	A	B	B	C	A	D	C

Explanations:

1. Hints to Remember

Who: Gujarat CM

What: launches 'Vhali Dikri Yojna'

When: published on 3rd August 2019

Gujarat Chief Minister Vijay Rupani has launched the 'Vhali Dikri Yojna' from his home town Rajkot yesterday. The scheme for the welfare of girl child has been launched to mark the 63th birth day of Chief Minister.

It is a statewide cash incentive scheme for every girl child born in Gujarat, with a view to raising the female birthrate at par with male to achieve gender equality.

According to scheme, the State Government will pay Rs. 4,000 to every girl child at the time of admission to Standard 4th, Rs. 6,000 at the time of taking admission to Standard IX, Rs. 1-lakh at the time of taking admission for higher education at the age of 18 and another Rs. 1-lakh at the time of marriage.

2. Hints to Remember

Who: Maharashtra

What: launched Automated Multi-modal Biometric Identification System (AMBIS) for crime detection

When: published on 29th July 2019

A special digitised policing system to identify and track down criminals was launched in Mumbai on Monday on a pilot basis and is set to be expanded to rest of Maharashtra.

Launching the Automated Multi-modal Biometric Identification System (AMBIS) at the new police administration building in CP Compound here, Chief Minister Devendra Fadnavis termed it as the "google" of Maharashtra Police which will go a long way in crime detection.

3. Hints to Remember

Who: India, UK

What: launch clean air initiative in Bengaluru

When: published on 31st July 2019

Innovating for Clean Air (IfCA), a two-year UK-India joint initiative providing Indian and UK stakeholders opportunities to test interventions related to air quality and EV integration.

The event was launched in Bangalore. British Deputy High Commissioner Dominic McAllister collaborative initiatives are an example of UK.

India can work as a joint force for good on innovative solutions. The country can bring the best of our research communities, academia and businesses together to address shared challenges, such as clean air.

4. Hints to Remember

Who: TESS

What: discovers three new planets of interest

When: published on 30th July 2019

TESS – aka NASA's Transiting Exoplanet Survey Satellite – has discovered three new exoplanets that are among the smallest and nearest found to date.

They orbit a star just 73 light-years away and include a small, rocky super-Earth and two sub-Neptunes, which astronomers say may be a "missing link" in planetary formation.

They are of an intermediate size and could help determine whether small rocky planets like Earth and larger icy worlds like Neptune formed in a similar or very different way.

The system has been dubbed TOI-270 – for the 270th "TESS Object of Interest" – and it has a lot to offer, say Maximilian Günther, from the Massachusetts Institute of Technology, US, and the lead author of a paper published in the journal Nature Astronomy.

5. Hints to Remember

Who: President Kovind

What: honoured with National order of Merit, highest award of Republic of Guinea

When: published on 3rd August 2019

President Ram Nath Kovind has been awarded the National order of Merit by the President of Guinea for his exceptional contribution to the advancement of overall relations and development of mutual cooperation between India and Guinea and for promoting friendship and partnership between the people of both the countries.

This is the highest award of Republic of Guinea.

During the award ceremony President Kovind said, the award is dedicated to people of India and Guinea for his friendship. Earlier, The President had extensive talks with his counterpart. During the delegation level talks, a range of areas of mutual interest in bilateral, regional and multilateral fields have been discussed.

6. **Hints to Remember**

Who: The Indian Army

What: recently launched a fleet comprising 10 electric cars in Delhi

When: published on 5th August 2019

The Indian Army recently launched a fleet comprising 10 electric cars in Delhi. This pilot fleet, which will be used by its officials in the national capital, has been set up in partnership with Energy Efficiency Services Ltd. (EESL), which is a joint venture of central PSUs under the aegis of Ministry of Power. This decision and project is in sync with the Indian government's ardent push for increased adoption of electric vehicles in the country, noted a PTI report.

9. Hints to Remember

Who: State Bank of India

What: become 1st Indian bank to link up with China's National Advance Payment System

When: published on 3rd August 2019

The State Bank of India's Shanghai branch is now connected to China's National Advance Payment System (CNAPS), becoming the first Indian Bank to operationalise it, a senior bank official said on Friday.

The CNAPS, launched in 2008 by People's Bank of China (PBOC) provides real-time settlement services for all payments cleared in mainland China, as well as in all clearing banks in offshore yuan centers, such as Hong Kong.

The CNAPS system is complemented by its international counterpart, the CIPS (China International Payments System or Cross-Border Inter-Bank Payment System), launched in 2015 with the aim of boosting international use of the Chinese currency, yuan.

The CIPS already has participants from multiple countries across the globe. The State Bank of India's Shanghai branch is now connected to China's National Advance Payment System (CNAPS), becoming the first Indian Bank to operationalise it, a senior bank official said on Friday.
