**Correct Answers:**

<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>	<b>6</b>	<b>7</b>	<b>8</b>	<b>9</b>	<b>10</b>
C	B	D	C	B	D	E	C	A	B

**Explanations:****1.**

In part C, 'have' must be replaced with 'had' to match the tense of the sentence which is simple past.

Hence, option C is correct.

**2.**

We use 'used to' for something that happened regularly in the past but no longer happens.

Ex 1. I used to smoke a packet a day but I stopped two years ago.

Ex 2. Ben used to travel a lot in his job but now, since his promotion, he doesn't.

In part B of this sentence, 'was', hence, is not required and must be removed to make it a grammatically correct sentence.

Hence, option B is correct.

**3.**

In part D, the preposition 'with' is not required and hence must be removed to make it a grammatically correct sentence.

Hence, option D is correct.

**4.**

We, generally, use the verb 'have' to show possession.

Ex. He wants to have a BMW car.

And a 'be' verb is used while stating something about something or someone.

Ex. He is my friend.

Ex. He claims to be the minister's nephew.

In part C, as there is no context of possession, 'have' must be replaced with 'be' to make the sentence grammatically sound and meaningful.

Hence, option C is correct.

**5.**

In part B, as the word before 'complicated' is to add information to the adjective 'complicated', it has to be an adverb.

The adjective 'extreme', hence, must be replaced with the adverb 'extremely' to make it a grammatically correct sentence.

Hence, option B is correct.

**6.**

In part D, the noun 'creature' must be replaced with its plural form 'creatures' to make it a grammatically correct sentence.

Hence, option D is correct.

**7.**

The sentence is absolutely correct.

Though the phrase 'A variety of' suggests a singular subject but 'A variety of items' clears that here context is of plural number; items.

The sentence, hence, is grammatically correct.

Hence, option E is correct.

**8.**

In part C, the verb 'lay' which means 'to put something somewhere in a gentle way' must be replaced with 'lie', which means 'to rest', to make the sentence grammatically correct.

Hence, option C is correct.

**9.**

In some specific context, we use the adverb 'just' to emphasize that something is happening or has happened at exactly the moment that you are talking about.

In this sentence, use of the adverb 'exactly' beside 'just' is redundant and hence must be removed to make it a grammatically correct sentence.

Hence, option A is correct.

**10.**

In part B, the relative pronoun 'which' must be replaced with 'whose', which means 'of which', as the clause is in the possessive case.

Ex 1: Q. Whose pen is this? Ans: This is Jai's pen.

Ex 2: This is the car whose design is below standard.

Hence, option B is correct.
