The Question Bank

### Correct Answers:

1	2	3	4	5	6	7	8	9	10
B	D	B	B	D	A	A	A	B	A

### Explanations:

1.

Replace cherished by cherish. 'Would' is followed by V1.  
Hence, option B is correct.

2.

A singular or a plural verb with the nouns in the following cases is used according to the sense which they convey.

Number

1. A large number of boys were absent on account of bad weather. (Correct)

2. The number of admissions have gradually fallen off. (Use 'has')

Similarly in the given sentence we have to use 'face' instead of 'faces' to make it a grammatically correct sentence.

Hence, the option D is correct.

3.

'You stay' should be replaced with 'you on staying', because 'insist' is always followed by preposition 'on'. For example,

Ex. She will insist on getting up early and playing her radio very loud.

Hence, option B is correct.

4.

'Almost a hour' should be replaced with 'almost an hour' because the first letter 'h' of the word 'hour' is Pronounced with vowel-sound.

Ex.

Ram is a honest boy. (wrong) (Vowel sound)

Ram is an honest boy. (right) (Vowel sound)

Hence, option B is correct.

5.

'Another' is an indefinite determiner which means an additional person or thing. The use of 'one' after it is superfluous.

Hence, option D is correct.

6.

'Look much nice' should be replaced with 'Look very nice'. It should be noted that 'very' in general is used to modify Adjective of positive degree and 'very much' is used before Past Participles used as Adjectives. For example.

Ex. I am very hungry. (Adjective)

Ex. I am very much interested in music. (Past Participle)

Hence, option D is correct.

7.

'It is more better' should be replaced with 'It is better'. The use of double comparatives is wrong. For example,

He is more better than Ram. (wrong)

He is better than Ram. (right)

He is much better than Ram. (right)

Hence, option A is correct.

8

The event shows past time. Hence, Simple Past i.e. My friend became... should be used.

Hence, option A is correct.

9.

Here, to reveal should be used.

To reveal something means to make people aware of it.

Ex. She has refused to reveal the whereabouts of her daughter.

Ex. A survey of the UK diet has revealed that a growing number of people are overweight.

On the other hand if you explain something that has happened, you give people reasons for it, especially in an attempt to justify it.

Ex. Before she ran away, she left a note explaining of her leaving.

Ex. Explain why you didn't telephone.

Had the given sentence been "Raju found it difficult to explain his poor performance in the final examination to his parents." the sentence would have been correct.  
Hence, option B is correct.

**10.**

Here, The burst from should be used. The words blast and explosion are synonymous.  
Hence, option A is correct.
