Hence, the correct answer is option C. ([Read more](#))

### 4. Hints to Remember

**Who:** World Day To Combat Desertification And Drought 2021

**What:** was observed on 17<sup>th</sup> June 2021

June 17 is observed as World Day To Combat Desertification And Drought. The UN-designated day is all about a green planet, sustainable development, and health and welfare of people. "Land restoration can contribute greatly to post-COVID19 economic recovery. Investing in land restoration creates jobs and generates economic benefits, and could provide livelihoods at a time when hundreds of millions of jobs are being lost," Ibrahim Thiaw, Executive Secretary of UNCCD (United Nations Convention to Combat Desertification) said ahead of World Day To Combat Desertification And Drought.

"If countries can restore the nearly 800 million hectares of degraded land they have pledged to restore by 2030, we can safeguard humanity and our planet from the looming danger," Mr Thiaw added. According to the world body, "one million species of plants and animals out of a total of eight million species are now at risk of extinction. Biodiversity loss is not just an environmental issue: it's a developmental, economic, security, social and moral issue."

Hence, the correct answer is option C. ([Read more](#))

## 5. Hints to Remember

## 7. Hints to Remember

**Who:** The Trade Desk

**What:** Launches Operations In India; Appoints Tejinder Gill As General Manager

**When:** published on 16<sup>th</sup> June 2021

Global advertising technology major, The Trade Desk on Wednesday announced the launch of operations in India and said it has appointed Tejinder Gill as the Country General Manager.

The company, which offers a self-service cloud-based platform that allows ad buyers to create, manage, and optimise digital advertising campaigns across formats and devices, is targeting digital marketers in India and help them capture fast-growing opportunities, the company said in a statement.

'As an omnichannel platform, The Trade Desk enables marketers to reach relevant audiences across different devices, including computers, mobile devices, tablets, and connected TV, and engage with them meaningfully along their entire digital journey,' it said.

Through the company's data-driven capabilities, marketers can access a marketplace of premium advertising inventory across a wide range of websites, apps, podcasts, and streaming OTT platforms, the statement added.

Hence, the correct answer is option A. [\(Read more\)](#)

## 8. Hints to Remember

**Who:** Wipro

**What:** joins World Economic Forum's Partnership for New Work Standards initiative

**When:** published on 16<sup>th</sup> June 2021

Wipro today announced that it has joined the World Economic Forum's Partnership for New Work Standards initiative to establish a healthy, resilient and equitable future of work.

This initiative aims to co-create new frameworks, shape forward-thinking people policies and utilize tools and technologies to collectively build human-first work standards, with people at the heart of business.

Wipro has invested in its workforce, developed new ways of working, and created a more relevant and inclusive post-pandemic work environment to seamlessly transition to a sustainable future of work. The company is also undertaking initiatives to support and equip its people with dedicated programs for physical, social, financial and mental well-being.

Hence, the correct answer is option C. [\(Read more\)](#)

## 9. Hints to Remember

**Who:** Google Pay

**What:** support debit cards tokenization with SBI, IndusInd, HSBC and Federal Bank

**When:** published on 16<sup>th</sup> June 2021

Google has roped in more banks for card tokenization on the Google Pay app. Cards tokenization is a feature that lets users make debit or credit card payments through a secure digital token attached to their phone without having to physically share their credit or debit card details. Google Pay had earlier rolled out the feature with Kotak Mahindra Bank, SBI Cards and Axis Bank. However, Google Pay has now added SBI, Induing Bank and Federal Bank and Credit cards by IndusInd Bank and HSBC India to its slate.

Google Pay card tokenization would let users Near-field communication (NFC) capable devices/ phones make contactless payments at over 2.5 million Visa merchant locations. It will also let users scan and pay at more than 1.5 million Bharat QR enabled merchants. Users can also pay their bills and recharge their numbers using credit cards. Google says that the feature also works with online merchants, provides seamless OTP experiences without redirecting users to 3D Secure sites.

Hence, the correct answer is option A. ([Read more](#))

## 10. Hints to Remember

**When:** published on 17<sup>th</sup> June 2021

The United Nations Global Compact today recognised Sumant Sinha, Chairman & MD of ReNew Power as one of ten 2021 SDG Pioneers.

SDG Pioneers are business leaders selected by the UN Global Compact for doing an exceptional job to advance the Sustainable Development Goals (SDGs) through the implementation of the UN Global Compact Ten Principles on human rights, environment, labor, and anti-corruption.

This year's global search focused on professionals working at any level in a company participating in the UN Global Compact and the winners selected come from every continent. Sumant Sinha of ReNew Power was recognised as an SDG Pioneer of the year.

Hence, the correct answer is option A. [\(Read more\)](#)

## 18. Hints to Remember

**Who:** Confederation of Indian Industry

**What:** projects FY22 GDP growth at 9.5%

**When:** published on 17<sup>th</sup> June 2021

The Confederation of Indian Industry (CII) said on Thursday the country's gross domestic product (GDP) is expected to grow at 9.5 per cent in the current financial year (FY 2021-22).

This will take the GDP to a level that is slightly higher than in FY20.

"The strong growth in the second-half will be supported by robust external demand and large scale coverage of vaccination allowing resumption of economic activity," said CII President T V Narendran.

"In the medium term, the growth rate can pick up to 8 to 9 per cent if positive actions are taken now. If not, a 5 to 6 per cent growth scenario is also possible," he said while addressing a press conference here.

Hence, the correct answer is option C. [\(Read more\)](#)

## 19. Hints to Remember

**Who:** IndusInd Bank

**What:** Launches Digital Lending Platform 'IndusEasyCredit'

**When:** published on 17<sup>th</sup> June 2021

Private lender IndusInd Bank announced the launch of a new digital lending platform 'IndusEasyCredit' on Thursday, June 17, in a bid to enable customers to meet their financial needs from their homes. According to a statement shared by IndusInd Bank, the digital platform will allow both existing and non-IndusInd Bank customers to avail personal loans or credit cards on a single platform through a comprehensive digital framework and a paperless manner.

The digital lending platform - 'IndusEasyCredit', is the first-of-its-kind proposition, as it offers a fully digital end-to-end process that leverages the power of the country's public digital infrastructure - 'Indiastack' to provide personal loans and credit cards in a presence less, paperless, and cashless manner. According to the statement, the stack leverages more than 35 interfaces to digitally verify employment information, KYC, and analyse bank statements.

Hence, the correct answer is option B. ([Read more](#))

## 20. Hints to Remember

**Who:** Exim Bank

**What:** extends \$100 million worth of line of credit to Sri Lanka

**When:** published on 17<sup>th</sup> June 2021

Export-Import Bank of India (Exim Bank) on Thursday said it has extended USD 100 million worth of line of credit (LOC) to the Sri Lankan government for financing projects in the solar energy sector.

With the signing of this agreement, Exim Bank, so far, has extended nine LOCs to Sri Lanka, on behalf of the Indian government, taking the total value of LOCs extended to USD 1.68 billion, a release said.

Projects covered under the finance extended to Sri Lanka include the supply of petroleum products, railway projects, defence and infrastructure projects, it added.

Exim Bank has now in place 272 LOCs, covering 62 countries in Africa, Asia, Latin America and the Commonwealth of Independent States (CIS), with credit commitments of around USD 26.84 billion, available for financing exports from India.
