PT Set No 186

Directions: Study the following information carefully and answer the questions given beside.

Seven boxes A, B, C, D, E, F, G are arranged one above another. Only two boxes are placed above box D. Only one box is placed between box G and D. As many as boxes are placed between box G and E as between box E and A. Three boxes are placed between box B and C. B is placed above C.

1. How many boxes are there between B and F?

- A. None B. One C. Two D. Three E. None of these

2. Which of the following is true regarding box D?

- A. It is below box G. B. It is immediately above box E. C. It is third from the top.
D. All of these are true. E. None of these are true.

3. Which box is placed at the bottom?

- A. G B. F C. A D. C E. None of these

4. Which box is placed immediately below box F?

- A. A B. D C. G D. C E. None of these

5. Which of the following is false?

- A. Box A is immediately below the box C. B. There is one box between box C and box E.
C. Box B is the 2nd from the top. D. Boxes B and F are adjacent.
E. None of these

Correct Answers:

1	2	3	4	5
C	D	C	D	D

Common explanations :

Reference:

Only two boxes are placed above box D.

Only one box is placed between box G and D.

Inference:

From the reference points mentioned above, we get the following cases.

Case 1	Case 2
G	
D	D
	G

References:

Three boxes are placed between box B and C.

B is placed above C.

Inferences:

Case 1	Case 2
G	
B	B
D	D
	G
C	
	C

Reference:

As many as boxes are placed between box G and E as between box E and A.

Inference:

Clearly, we can't place G, E and A fulfilling the given condition in Case 2. However, in Case 1 we get the arrangement as follows:

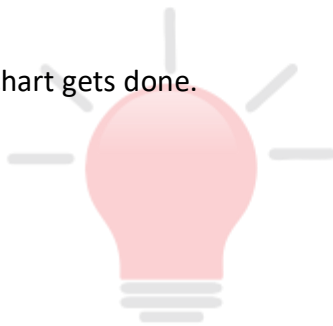

Case 1	Case 2
--------	--------

G	
B	B
D	D
E	
	G
C	
A	C

Evidently, F will be filling the vacant position in Case 1.

Case 1
G
B
D
E
F
C
A

And the chart gets done.

Answers :

1. Following the final chart, we get that two boxes are there between B and F.

Option C is hence the correct answer.

2. Following the common explanation, we have

Evidently, all the three statements are true with respect to box D.

Option D is hence the correct answer.

3. Following the final chart, we get that it's box A which is at the bottom.

Option C is hence the correct answer.

4. From the final arrangement it's clear that it is C which comes immediately below box F.

Option D is hence the correct answer.

5. Following the common explanation, we have

Clearly, except the statement given as option D, all others are true.

Option D is hence the correct answer.
