Puzzle Test Questions for SBI PO Pre, IBPS PO Pre, IBPS Clerk Mains and SBI Clerk Mains Exams.

Set No 72

Directions: Study the following information carefully and answer the questions given beside:

Seven persons – Parmar, Raghav, Deep, Sajal, Abhay, Sarita and Uday have their off day on different days of the week starting from Monday and ending on Sunday. They work in different companies – Oracle, IBM, Syntel, Wipro, HCL, Infosys and TCS.

Deep works in IBM and has off day neither on Sunday nor on Friday. Abhay has off day on Wednesday and works in TCS. Parmar has off day on Saturday but works neither in Oracle nor in Wipro. The one who has off day on Tuesday works in Syntel. The one who works in Oracle has off day on Thursday. Sarita works in Wipro. Uday works in HCL and has off day on Sunday. Sajal does not have off day on Tuesday.

1. Who among the following has off day on Tuesday?

- A. Sajal B. Sarita C. Raghav D. Deep E. None of these

2. Which of the following combinations is correct?

- A. Saturday – Parmar – Infosys B. Wednesday – Raghav – Syntel
C. Sunday – Deep – IBM D. Friday – Sarita – Oracle
E. None is correct

3. How many person(s) has their off day between the one who works in IBM and Sarita?

- A. More than three B. None C. One D. Two E. Three

4. If the one who works in Oracle is related to Deep in the same way as the one who works in Infosys is related to Abhay, then following the same pattern, Sajal is related to who among the following?

- A. The one who works in Syntel B. The one who works in HCL
C. The one who works in IBM D. The one who works in Wipro
E. The one who works in TCS

5. Who among the following has off day on Friday?

- A. Abhay B. Uday C. Parmar D. Sarita E. None of these

Correct Answers:

1	2	3	4	5
C	A	E	B	D

Common explanation:

Reference:

Seven persons – Parmar, Raghav, Deep, Sajal, Abhay, Sarita and Uday have their off day on different days of the week starting from Monday and ending on Sunday. They work in different companies – Oracle, IBM, Syntel, Wipro, HCL, Infosys and TCS.

Inference:

We will keep this information in mind while solving the puzzle.

Reference:

Abhay has off day on Wednesday and works in TCS.
The one who has off day on Tuesday works in Syntel.
The one who works in Oracle has off day on Thursday.
Uday works in HCL and has off day on Sunday.

Inference:

Using the above hints, we have:

Off Day	Person	Company
Monday		
Tuesday		Syntel
Wednesday	Abhay	TCS
Thursday		Oracle
Friday		
Saturday		
Sunday	Uday	HCL

Reference:

Parmar has off day on Saturday but works neither in Oracle nor in Wipro.
Deep works in IBM and has off day neither on Sunday nor on Friday.

Inference:

Using the above hints, we have:

Off Day	Person	Company
Monday	Deep	IBM
Tuesday		Syntel
Wednesday	Abhay	TCS
Thursday		Oracle
Friday		Wipro
Saturday	Parmar	
Sunday	Uday	HCL

At this point we can say that Parmar works in Infosys because this is the only company left in which none of the persons are working as of now.

Off Day	Person	Company
Monday	Deep	IBM
Tuesday		Syntel
Wednesday	Abhay	TCS
Thursday		Oracle
Friday		Wipro
Saturday	Parmar	Infosys
Sunday	Uday	HCL

Reference:

Sarita works in Wipro.

Sajal does not have off day on Tuesday.

Inference:

After using the above hints, we have:

Off Day	Person	Company
Monday	Deep	IBM
Tuesday		Syntel
Wednesday	Abhay	TCS
Thursday	Sajal	Oracle
Friday	Sarita	Wipro
Saturday	Parmar	Infosys
Sunday	Uday	HCL

Here, we can easily fix the position of Raghav and can say that Raghav has an off day on Tuesday.

Off Day	Person	Company
Monday	Deep	IBM
Tuesday	Raghav	Syntel
Wednesday	Abhay	TCS
Thursday	Sajal	Oracle
Friday	Sarita	Wipro
Saturday	Parmar	Infosys
Sunday	Uday	HCL

Answers :

1. Following the final solution we can say that Raghav has off day on Tuesday.

Hence, the correct answer is option **C**.

2. Following the final solution we can say that Saturday – Parmar – Infosys is the correct combination.

Hence, the correct answer is option **A**.

3. Following the final solution we can say that three persons has their off day between the one who works in IBM and Sarita.

Hence, the correct answer is option **E**.

4. Following the final solution we can say that if the one who works in Oracle is related to Deep in the same way as the one who works in Infosys is related to Abhay, then following the same pattern, Sajal is related to the one who works in HCL.

Hence, the correct answer is option **B**.

5. Following the final solution we can say that Sarita has off day on Friday.

Hence, the correct answer is option **D**.
