Correct answers:

1	2	3	4	5	6	7	8	9	10
A	D	B	B	C	B	D	C	A	B

Explanations:

1. On looking at the fragments, we find only C suitable as the first fragment-

Connectors:

C and A:

C: Arbitration works well when power is balanced between the two

A: sides like in commercial disputes between big firms, but the

A and D:

A: sides like in commercial disputes between big firms, but the

D: balance between an employer and an employee, particularly in

D and B:

D: balance between an employer and an employee, particularly in

B: low-wage occupations, is often anything but even.

The correct sequence is C-A-D-B.

Hence, option A is correct.

2. Only B fits in as the first fragment as the rest are continuation of other fragments.

Connectors:

B and C:

B: Neither China nor Russia wants a direct military confrontation with America

C: that they would surely lose but they are using their growing hard power in other

C and A:

C: that they would surely lose but they are using their growing hard power in other

A: ways, in particular by exploiting a "grey zone" where aggression and coercion

A and D:

A: ways, in particular by exploiting a "grey zone" where aggression and coercion

D: work just below the level that would risk military confrontation with the West.

The correct sequence is B-C-A-D.

Hence, option D is correct.

3. Only D fits in as the first fragment as the rest are continuation of other fragments.

Connectors:

D and A:

D: The rise in oil prices makes takeovers of oil blocks by Indian oil and natural gas

A: companies viable since most of the foreign acquisitions by Indian companies

A and C:

A: companies viable since most of the foreign acquisitions by Indian companies

C: are done through loans taken abroad, and valuation of the oil assets all over

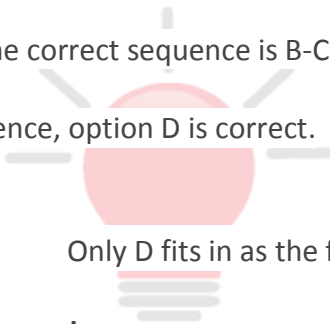

C and B:

C: are done through loans taken abroad, and valuation of the oil assets all over

B: the world are calculated on the basis of net present value and probable reserves.

The correct sequence is D-A-C-B.

Hence, option B is correct.

4. The first fragment is clearly A as none of the others make sense when kept as the beginning statement.

Connectors:

A and D:

A: Between January and May, outflows from

D: foreign portfolio investors have reached their

D and B:

D: foreign portfolio investors have reached their

B: highest level in 10 years, and by June 4, \$6.7 billion was

B and C:

B: highest level in 10 years, and by June 4, \$6.7 billion was

C: pulled out on a net basis from the domestic capital market

The correct sequence is A-D-B-C.

Hence, option B is correct.

5. The first fragment would be either B or D. However, B is a better fit as if D is kept as the first fragment, B would not fit elsewhere.

B and D:

B: At the end of an unusually long three-day meeting,

D: the Monetary Policy Committee of the RBI

D and A:

D: the Monetary Policy Committee of the RBI

A: opted for a hike in key interest rates by 25 basis points

A and C:

A: opted for a hike in key interest rates by 25 basis points

C: which is the first such increase in four and a half years

The correct sequence is B-D-A-C.

Hence, option C is correct.

6. The first fragment is clearly C as no other option fits in well.

Connectors:

C and A:

C: While it is quite true that the present bad loans crisis has been a long time

A: in the making, the problem of lax corporate governance,

A and D:

A: in the making, the problem of lax corporate governance,

D: which has plagued public sector banks and contributed to

D and B:

D: which has plagued public sector banks and contributed to

B: the present crisis, still remains largely unaddressed by the government

The correct sequence is C-A-D-B.

Hence, option B is correct.

7. The only viable first fragment is B. No other fragment fits in.

Connectors:

B and D:

B: Ordering in the day's meal is a convenient

D: option and food is just a click away,

D and A:

D: option and food is just a click away,

A: but it's leaving behind more carbon footprint

A and C:

A: but it's leaving behind more carbon footprint

C: than you think, and contributing to overflowing landfills

The correct sequence is B-D-A-C.

Hence, option D is correct.

8. Of all fragments, only C can be the first fragment as the others start mid sentence and do not make sense.

Connectors:

C and D:

C: If the financial performance of India's largest

D: lender is anything to go by, an end to the

D and A:

D: lender is anything to go by, an end to the

A: severe bad loans crisis may be much farther

A and B:

A: severe bad loans crisis may be much farther

B: beyond the horizon than previously anticipated

The correct sequence is C-D-A-B.

Hence, option C is correct.

9. The only fragment that fits in as the first fragment is A.

Connectors:

A and C:

A: For the government at the Centre gearing

C: up for several Assembly elections this

C and D:

C: up for several Assembly elections this

D: year followed by the general election in 2019,

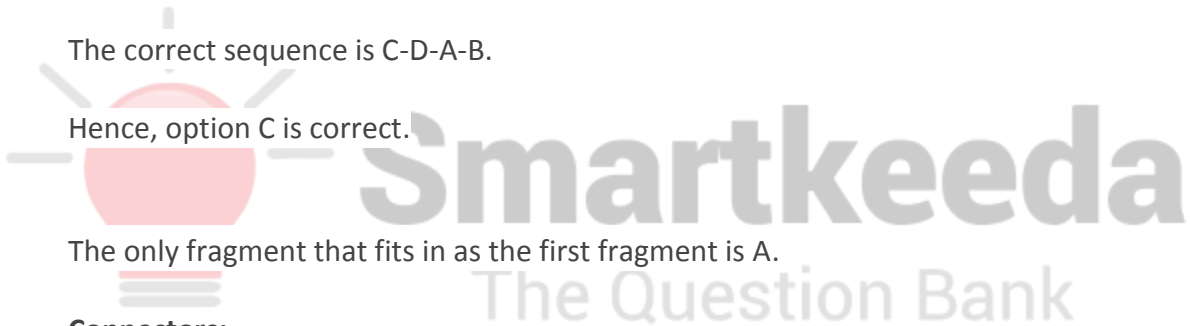

D and B:

D: year followed by the general election in 2019,

B: the pressure to check fuel prices is intensifying

The correct sequence is A-C-D-B.

Hence, option A is correct

10. The first fragment is clearly B. The rest do not provide a valid starting point.

Connectors:

B and A:

B: It is significant that in Singapore Mr. Modi

A: chose the platform of the Shangri-La Dialogue

A and D:

A: chose the platform of the Shangri-La Dialogue

D: of defence leaders of the Asia-Pacific
