Correct answers:

1	2	3	4	5	6	7	8	9	10
D	B	A	E	A	C	D	C	C	B

Explanations:

1. The fragment most suitable as the first one is D.

Connectors:

D and A:

D: 100% FDI was allowed in the food retail business in

A: 2016, but little money has come in as retailers want

A and C:

A: 2016, but little money has come in as retailers want

C: permission to stock a few non-food items

C and B:

C: permission to stock a few non-food items

B: like soaps and shampoos for customers

The correct sequence is D-A-C-B.

Hence, option D is correct.

2. The ideal first fragment is C clearly.

Connectors:

C and B:

C: The Solid Waste Management Rules mostly

B: remain on paper while the producers

B and A:

B: remain on paper while the producers

A: of plastic articles also show little

A and D:

A: of plastic articles also show little

D: concern about their negative environmental impact

The correct sequence is C-B-A-D.

Hence, option B is correct.

3. The most suitable first fragment is A here.

Connectors:

A and C:

A federation of 130 farmer bodies has decided

C: to stop supplies of vegetables and

C and B:

C: to stop supplies of vegetables and

B: dairy produce to major cities and hold a

B and D:

B: dairy produce to major cities and hold a

D: dharna on 30 national highways to protest against rising prices

The correct sequence is A-C-B-D.

Hence, option A is correct.

4. The original sequence is correct and there is no need to rearrange it.
Hence, option E is correct.

5. The first fragment is clearly D as no other fragment provides a sensible starting point.

Connectors:

D and A:

D: Leaving aside the compromises the majority of media houses made in the 1970s during

A: the Emergency, the real story of the buying and selling of the media began with

A and C:

A: the Emergency, the real story of the buying and selling of the media began with

C: the advent of liberalisation, when the wall dividing the business from the editorial side

C and B:

C: the advent of liberalisation, when the wall dividing the business from the editorial side

B: of media organisations began to be chipped away at until it disappeared

The correct sequence is D-A-C-B.

Hence, option A is correct.

6. The first fragment is clearly B as no other fragment fits in.

Connectors:

B: Economists constructed an online price index

C: using food and beverage data from a prominent

C: using food and beverage data from a prominent

D: online marketplace to show that the index is capable

D: online marketplace to show that the index is capable

A: of tracking the level as well as the dynamics of CPI

The correct sequence is B-C-D-A.

Hence, option C is correct.

7. The first fragment is either A or D. However, if we keep D as the first statement, none of the other statements would follow logically. Hence, A is the first statement.

Connectors:

A: Even though the e-commerce industry is

C: growing at the rate of over 60% per year, market

C: growing at the rate of over 60% per year, market

B: penetration has largely taken place only in

B: penetration has largely taken place only in

D: the 10-odd major metropolitan areas of India

The correct sequence is A-C-B-D.

Hence, option D is correct.

8. The only option that fits in as the first fragment is B.

Connectors:

B and A:

B: just as during the 1980s and 1990s, the ration card used

A: to be considered an identity proof for a majority

A and D:

A: to be considered an identity proof for a majority

D: of the population in India, today its place has been taken

D and C:

D: of the population in India, today its place has been taken

C: by the passport which for many is a document of identity

The correct sequence is B-A-D-C.

The correct option is C.

9. The first fragment is either A or B. On closer inspection, B is the better fit as we need to introduce the title of the essay first before talking about it.

Connectors:

B and A:

B: In his 1921 essay, the "Critique of Violence,"

A: Walter Benjamin offers a critique of violence that

A and C:

A: Walter Benjamin offers a critique of violence that

C: pervades European democracies that are built

C and D:

C: pervades European democracies that are built

D: on the conception of positive, historical legal systems

The correct sequence is B-A-C-D.

Hence, option C is correct.

10. The first fragment is either D or A. If we keep A as the first one, D does not find any place while the reverse is not true. Hence, we put D as the first statement.

Connectors:

B and D:

B: While most of the world acts as

D: though it denies climate change,

D and A:

D: though it denies climate change,

A: what cannot be ignored is an onslaught of

A and C:

A: what cannot be ignored is an onslaught of

C: more-frequent extreme weather events.

The correct sequence is B-D-A-C.

Hence, option B is correct.
