Correct answers:

1	2	3	4	5	6	7	8	9	10
C	B	A	D	D	C	C	D	C	D

Explanations:

1.

On close observation, we find that the option C will complete the pattern when placed in the blank space of question figure as shown below:

Hence, option C is correct.

2.

On close observation, we find that the option B will complete the pattern when placed in the blank space of question figure as shown below:

Hence, option B is correct.

3.

On close observation, we find that the option A will complete the pattern when placed in the blank space of question figure as shown below:

Hence, option A is correct.

4.

On close observation, we find that the option D will complete the pattern when placed in the blank space of question figure as shown below:

Hence, option D is correct.

5.

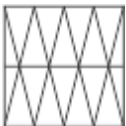

On close observation, we find that the option C will complete the pattern when placed in the blank space of question figure as shown below:

Hence, option C is correct.

6.

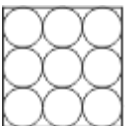

On close observation, we find that the option C will complete the pattern when placed in the blank space of question figure as shown below:

Hence, option C is correct.

7.

On close observation, we find that the option C will complete the pattern when placed in the blank space of question figure as shown below:

Hence, option C is correct.

8.

On close observation, we find that the option D will complete the pattern when placed in the blank space of question figure as shown below:

Hence, option D is correct.

9.

On close observation, we find that the option C will complete the pattern when placed in the blank space of question figure as shown below:

Hence, option C is correct.

10.

On close observation, we find that the option D will complete the pattern when placed in the blank space of question figure as shown below:

Hence, option D is correct.
