# Seating Arrangement Questions for IBPS PO Pre, IBPS RRB Scale I Pre, SBI PO Pre, Syndicate Bank PO, Canara Bank PO, IBPS SO Pre, IBPS Clerk Mains and SBI Clerk Mains Exams.

## Set No 128

**Directions:** Study the following information carefully and answer the questions given beside:

There are eight news anchors seated in two rows. In row I – Arnab, Barkha, Kishore and Dibang are seated and all are facing south. In row II – Prabhu, Neha, Ravish and Sweta are seated and all are facing north. These eight news anchors work in different news channels – Times Now, Aaj Tak, ABP News, India TV, News Nation, India News, News 24 and NDTV but not necessarily in the same order. In the seating arrangement each member seated in a row faces one of the members of the other row.

Kishore is sitting second to the right of the person who works in NDTV. Ravish is an immediate neighbor of the person who faces the one who works in NDTV. Only one person sits between Ravish and the one who works in India TV. The immediate neighbour of the one who works in India TV faces the one who works in ABP News.

The one who works in Times Now faces the one who works in India News. Ravish is not the one who works in India News. Prabhu is not the one who works in India TV and he does not face the one who works in NDTV.

Neha faces the one who works in News Nation. The one who faces Sweta is sitting at the position which is immediate left of Arnab. Barkha is not sitting at any of the extreme ends of the line. The one who works in NDTV does not face the one who works in Aaj Tak.

**1. The persons sitting at extreme ends in Row I work in which of the following news channels?**

- A. NDTV and News Nation                      B. News Nation and ABP News                      C. ABP News and India News  
D. India News and India TV                      E. None of these

**2. Who among the following works in India News?**

- A. Dibang                      B. Sweta                      C. Prabhu                      D. Barkha                      E. Can't be determined

**3. Who among the following sits to the immediate right of the one who faces the one who works in News 24?**

- A. Barkha                      B. Dibang                      C. Ravish                      D. Arnab                      E. None of these

**4. If Prabhu is related to India TV in a way, Dibang is related to NDTV in the same way then who among the following is related to News Nation in the same way?**

- A. Barkha                      B. Kishore                      C. Dibang                      D. Sweta                      E. None of these

5. Four of the following five are alike in a certain way and thus form a group. Which of the following does not belong to the group?

A. Aaj Tak

B. Times Now

C. News 24

D. India News

E. ABP News

**Correct Answers:**

1	2	3	4	5
C	A	D	B	C

## COMMON EXPLANATION:

### Reference:

Kishore is sitting second to the right of the person who works in NDTV.

Ravish is an immediate neighbour of the person who faces the one who works in NDTV.

Only one person sits between Ravish and the one who works in India TV.

The immediate neighbour of the one who works in India TV faces the one who works in ABP News.

### Inference:

Using the above mentioned hints following two cases can be drawn:

#### Case 1

<b>Row I</b> <b>Facing South</b>	<b>News Anchors</b>		Kishore		
	<b>News channels</b>		ABP News		NDTV
<b>Row II</b> <b>Facing North</b>	<b>News Anchors</b>			Ravish	
	<b>News channels</b>	India TV			

#### Case 2

<b>Row I</b> <b>Facing South</b>	<b>News Anchors</b>	Kishore			
	<b>News channels</b>	ABP News		NDTV	
<b>Row II</b> <b>Facing North</b>	<b>News Anchors</b>				Ravish
	<b>News channels</b>		India TV		

### Reference:

Ravish is not the one who works in India News.

Prabhu is not the one who works in India TV and he does not face the one who works in NDTV.

Neha faces the one who works in News Nation.

The one who faces Sweta is sitting at the position which is immediate left of Arnab.

Barkha is not sitting at any of the extreme ends of the line.

**Inference:**

As Neha faces the one who works in News Nation, so the only left place for her to sit is the extreme left end of the row I as per Case 1.

Thus Sweta sits at the extreme right end of row II as per Case 1.

Here the only left places for Barkha is at the extreme ends, **thus Case 1 fails here.**

**Case 1**

<b>Row I Facing South</b>	<b>News Anchors</b>		Kishore	Arnab	
	<b>News channels</b>	News Nation	ABP News		NDTV
<b>Row II Facing North</b>	<b>News Anchors</b>	Neha	Prabhu	Ravish	Sweta
	<b>News channels</b>	India TV		<del>India News</del>	

**Case 2**

As Prabhu neither works in India TV nor the faces the one who works in NDTV, thus he must be sitting at the extreme left end of row II as per Case 2.

As Neha faces the one who works in News Nation, so the only left place for her to sit is the immediate right of Prabhu in row I as per case 2. The remaining seat of row I is assigned to the only left news anchor i.e. Sweta.

<b>Row I Facing South</b>	<b>News Anchors</b>	Kishore	Arnab	Barkha	
	<b>News channels</b>	ABP News	News Nation	NDTV	
<b>Row II Facing North</b>	<b>News Anchors</b>	Prabhu	Neha	Sweta	Ravish
	<b>News channels</b>		India TV		<del>India News</del>

**Reference:**

The one who works in NDTV does not face the one who works in Aaj Tak.

The one who works in Times Now faces the one who works in India News.

**Inference:**

As Sweta can't work in Aaj Tak as per the first hint. So it is Prabhu, who works in Aaj Tak.

Ravish can't work in India News, so he must be working in Times Now to satisfy the second hint.

<b>Row I Facing South</b>	<b>News Anchors</b>	Kishore	Arnab	Barkha	
	<b>News channels</b>	ABP News	News Nation	NDTV	India News
<b>Row II Facing North</b>	<b>News Anchors</b>	Prabhu	Neha	Sweta	Ravish
	<b>News channels</b>	Aaj Tak	India TV	<del>Aaj Tak</del>	Times Now

After filling the vacant positions, we get:

<b>Row I Facing South</b>	<b>News Anchors</b>	Kishore	Arnab	Barkha	Dibang
	<b>News channels</b>	ABP News	News Nation	NDTV	India News
<b>Row II Facing North</b>	<b>News Anchors</b>	Prabhu	Neha	Sweta	Ravish
	<b>News channels</b>	Aaj Tak	India TV	News 24	Times Now

The Question Bank

## Answers :

1. From the following explanation it is clear that the ones sitting at extreme ends work in ABP News and India News.

Hence option C is correct.

2. From the following explanation it is clear that Dibang works in India News.

Hence option A is correct.

3. From the following explanation it is clear that Arnab sits immediate right of one who faces the one who works in News 24 (Sweta).

Hence option D is correct.

4. From the following explanation it is clear that Kishore is related to News Nation in the same way as Prabhu is related to India TV and Dibang is related to NDTV.

Logic: The news anchor is related to the news channel of the one who sits his/her immediate right.

Hence option B is correct.

5. From the following explanation it is clear that the person who works in News24 does not sit at extreme end, thus is the odd one out here.

News anchors of the remaining four news channels sit at extreme ends.

Hence option C is correct.
