# Seating Arrangement for SBI Clerk Mains, IBPS Clerk Mains, SBI PO Pre and IBPS PO Pre Exams.

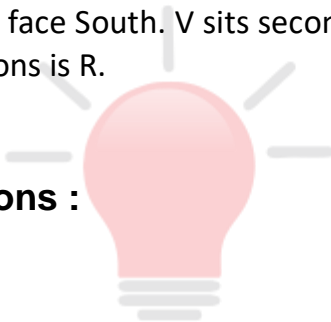

SA Set No 149

**Directions:** Study the following information carefully and answer the questions given beside.

16 persons are sitting in three rows namely Row-1,2 and 3 such that 4-4 persons sit in row 1 and row 3 and 8 persons sit in row-2. The persons sitting row-1 face south while the persons sitting in row-3 face north. The first four persons from western end of row-2 face North while the rest four face South. In this way all the persons of row-1 face the first four persons of row-2 and all the persons of row-3 face the last four persons of row-2.

B sits third to the left of G. D faces the one who is second to the right of P and H both. 2 persons sit between P and G. A sits third to the right of E, who does not face North. A is not adjacent to B. S is second to the right of the one who faces A. No one sits to the right of F. Neither S nor T sits at an extreme end. H faces the one who is on the immediate left of T. I sits third from an extreme end but does not face South. V sits second to the left of Q. 3 persons sit between J and M, who faces I. One of the persons is R.

**Questions :**

**Smartkeeda**  
The Question Bank

**1. Who among the following is second to the right of M?**

- A. P                      B. G                      C. A                      D. H                      E. None of these

**2. Who among the following faces T?**

- A. J                      B. Q                      C. H                      D. B                      E. None of these

**3. Find the odd one out?**

- A. V                      B. M                      C. Q                      D. P                      E. None of these

**4. Find the odd combination out?**

- A. E-F                      B. A-D                      C. I-P                      D. Q-B                      E. R-G

**5. What is the position of R with respect to T?**

- A. R faces T                      B. Second to the left                      C. Third to the right                      D. Both are in different rows  
E. None of these

**Correct Answers:**

<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>
B	A	E	C	B

**Common explanation :**

**Reference:**

B sits third to the left of G.

D faces the one who is second to the right of P.

2 persons sit between P and G.

A sits third to the right of E, who does not face North.

A is not adjacent to B.

**Inference:**

Following 3 cases are possible with the given hints.

Row-1	Direction	South	South	South	South				
	Person	A			E				
Row-2	Direction	North	North	North	North	South	South	South	South
	Person	B			G			P	
Row-3	Direction	Case-1				North	North	North	North
	Person					D			

Row-1	Direction	South	South	South	South				
	Person								
Row-2	Direction	North	North	North	North	South	South	South	South
	Person	B			G	A		P	E
Row-3	Direction	Case-2				North	North	North	North
	Person					D			

Row-1	Direction	South	South	South	South				
	Person								
Row-2	Direction	North	North	North	North	South	South	South	South
	Person	B		A	G		E	P	
Row-3	Direction	Case-3				North	North	North	North
	Person					D			

**Reference:**

S is second to the right of the one who faces A.

No one sits to the right of F.

Neither S nor T sits at an extreme end.

H faces the one who is on the immediate left of T.

**Inference:**

Row-1	Direction	South	South	South	South				
	Person	A			E				

Row-2	Direction	North	North	North	North	South	South	South	South
	Person	B		S	G		H	P	
Row-3	Direction	Case-1				North	North	North	North
	Person					D		T	F

Row-1	Direction	South	South	South	South				
	Person		T						
Row-2	Direction	North	North	North	North	South	South	South	South
	Person	B		H	G	A		P	E
Row-3	Direction	Case-2				North	North	North	North
	Person					D		S	F

Case-3 gets eliminated as it does not fulfill the third hint.

Row-1	Direction	South	South	South	South				
	Person	S							
Row-2	Direction	North	North	North	North	South	South	South	South
	Person	B		A	G		E	P	
Row-3	Direction	Case-3 [Eliminated]				North	North	North	North
	Person					D			F

**Reference:**

D faces the one who is second to the right of H.

I sits third from an extreme end but does not face South.

V sits second to the left of Q.

3 persons sit between J and M, who faces I.

One of the persons is R.

**Inference:**

Case-1 is unable to fulfill the first hint.

Row-1	Direction	South	South	South	South				
	Person	A			E				
Row-2	Direction	North	North	North	North	South	South	South	South
	Person	B		S	G		H	P	
Row-3	Direction	Case-1 [Eliminated]				North	North	North	North
	Person					D		T	F

Thus I sits in row-3.

Row-1	Direction	South	South	South	South				
	Person	Q	T	V	R				
Row-2	Direction	North	North	North	North	South	South	South	South
	Person	B	J	H	G	A	M	P	E

Row-3	Direction	Case-2	North	North	North	North
	Person		D	I	S	F

## Answers:

1. Following the common explanation, we have

G is second to the right of M.

Hence option B is correct.

**2.** Following the common explanation, we have

J faces T.

Hence option A is correct.

**3.** Following the common explanation, we have

J is the odd one out as rest face South.

Hence option E is correct.

**4.** Following the common explanation, we have

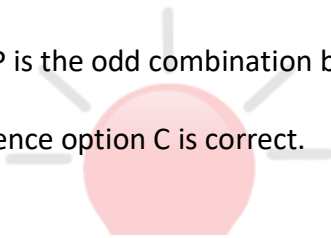

I-P is the odd combination because in rest combinations both the persons are facing each other.

Hence option C is correct.

**5.** Following the common explanation, we have

R is second to the left of T.

Hence option B is correct.
