Correct answers:

1	2	3	4	5	6	7	8	9	10
C	C	D	B	A	C	D	D	B	C

Explanations:

1. Checking C-D:

He's young and beautiful irrespective of the thunderstorms.

The sentence is contextually incorrect. The pair C-D is hence invalid.

Checking A-F:

Differential voting rights enable promoters to retain control over company even after many new investors come in.

The above sentence is correct both grammatically and contextually.

Checking B-E:

According to security researchers, this vulnerability could be exploited in three ways, all of which involve social engineering tactics to fool end-users.

The above sentence too is correct both grammatically and contextually.

Option C is hence the correct answer.

2. Checking C-D:

He's young and beautiful irrespective of the thunderstorms.

The sentence is contextually incorrect. The pair C-D is hence invalid.

Checking A-F:

Differential voting rights enable promoters to retain control over company even after many new investors come in.

The above sentence is correct both grammatically and contextually.

Checking B-E:

According to security researchers, this vulnerability could be exploited in three ways, all of which involve social engineering tactics to fool end-users.

The above sentence too is correct both grammatically and contextually.

Option C is hence the correct answer.
